3. RISK ASSESSMENT AND CLASSIFICATION

3.1 Practice-Wide Risk Assessment

The Firm maintains a Practice-Wide Risk Assessment (PWRA) which is reviewed annually and whenever there are material changes to the business or risk environment.

3.2 Client Risk Classification

All clients must be assessed and classified according to risk level at the outset of each matter:

Risk Factor	Classification	Due Diligence Required
UK resident, standard transaction	STANDARD	Standard CDD
Client resident outside the UK	HIGH	Enhanced Due Diligence
PEP or family member/associate	HIGH	Enhanced Due Diligence
Transaction value over £1,000,000	HIGH	Enhanced Due Diligence
Cash element over £500,000	MEDIUM-HIGH	Enhanced Due Diligence

4. SOURCE OF FUNDS AND SOURCE OF WEALTH

4.1 Bank Statement Requirements

Bank statements must be obtained to verify the source of funds for all transactions:

Transaction Type / Risk Level	Minimum Period Required
Standard residential purchase (<£500k)	3 months
High-value transaction (>£500k)	6 months

Where purchase funds include a gift from a third party, the gifor must be subject to appropriate due diligence including verification of identity, proof of address, and source of the gifted funds.

4.3.1 For gifts exceeding £10,000, self-declaration alone is not sufficient. Documentary evidence of the gifor's source of wealth must be obtained, such as pension statements, bank statements, or property sale completion statements.

All clients and connected parties must be screened against PEP databases at matter opening. Screening must cover the client, any beneficial owners, and any gifors.

5.2 Enhanced Procedures

Where a client is identified as a PEP or connected to a PEP, Enhanced Due Diligence must be applied and senior management approval obtained before proceeding.

5.2.1 Best Practice: For clients working in financial services or in jurisdictions with elevated risk, additional checks are encouraged: employer background verification, role analysis, senior management PEP screening, and adverse media searches.

6. RECORD KEEPING

6.1 All CDD documentation must be retained for a minimum of 5 years from the end of the business relationship or completion of the transaction, whichever is later.
