Subject: Estate of John Bloggs deceased / Joe Bloggs

Dear Sirs,

We act for the personal representatives of the estate of John Bloggs deceased.

We understand that you act in connection with a conveyancing transaction involving Joe Bloggs and that this letter has been requested to assist with client due diligence and source-of-funds enquiries.

John Bloggs was the deceased father of Joe Bloggs. Joe Bloggs is a beneficiary of the estate.

We confirm that Joe Bloggs, a beneficiary of the estate, received a distribution of £100,000 from the estate of his late father, John Bloggs, on 10 October 2024.

The distribution represents one source-of-funds stream available to Joe Bloggs.

This letter should not be treated as confirmation of any other source of funds or of the wider financial position of Joe Bloggs.

Please contact us if you require any further information in relation to the estate distribution referred to above.

Yours faithfully,

Alderwick Probate Solicitors LLP
